---

### Evidence-Based Analysis (EBA)

---

The purpose of this Evidence-Based Analysis (EBA) is to obtain information supporting AQuESTT processes required by Neb. Rev. Stat. Sections 79-760.06 and 79-760.07. This information will also guide the prioritization of statewide investments towards AQuESTT Systems of Support.

Your responses should be reflective of  $\{e://Field/District\}$  during the 2018-2019 school year.

It is important that you provide an accurate and honest response. Please give thoughtful consideration to school processes that provide support or evidence for your selections. Completion of the EBA does **NOT** require you to assemble or submit such evidence. However, the Nebraska Department of Education reserves the right to request evidence for your selections. **Although not applicable to the district**, please note that a school that is eligible for an EBA adjustment will be asked to submit electronic evidence supporting their responses for evaluation by an expert review panel. Your EBA responses will also be publicly displayed on school and district profiles.

To assist you, please use this guide as you complete the EBA: [2018-2019 Technical Assistance Guide](#)

As you move through the EBA, your responses will be saved automatically. There is no need to click any sort of "save" button. If you must close your web browser before completing the EBA, simply return and complete any remaining items.

If you have any questions, please direct an email to [nde.aquestt@nebraska.gov](mailto:nde.aquestt@nebraska.gov) for support.
